AOB

Due to the current Covid 19 situation there is a real possibility that the 2021 AGM will not be able to go ahead. Various ideas were discussed, members present were asked to come up with possible solutions and present them at the next meeting so that we can make firm arrangements in time.

Members present were asked to make a final decision about the 2021 fees at the next meeting as this must be sent out to the membership in December.

J Starley has been in contact with Silverstone Range about a canopy for A range. Initial measurements have been made; final measurements and a plan are in progress.

Once these have been received we can look into the issue further.
